WELCOME

PROFESSOR ALEXANDER AUE
DEPARTMENT CHAIR

PROFESSOR DEBASHIS PAUL
VICE CHAIR OF UNDERGRADUATE
AFFAIRS

UC DAVIS STATISTICS
ADVISING TEAM

STAFF ADVISOR

KIM MCMULLEN

Assists students with academic planning and major progress checks, clarifies department requirements and policies, and approves forms and petitions.

PEER ADVISORS

JACOB HERBSTMAN

YIFENG JIANG

Offer a peer perspective on course selection, research, internships, change of major and minor information, and navigating campus resources.

FACULTY ADVISOR

PROFESSOR DEBASHIS PAUL

Offers advice on post-graduation opportunities and research/independent study. Approves electives, major modification requests, and evaluates transfer course articulations.

Learn more about your advisors and how to meet with them at statistics.ucdavis.edu/undergrad/advising.
UPCOMING EVENT

Change of Major Workshops
Every week the Statistics Peer Advisors will hold a change of major workshop for students thinking about declaring a major in Statistics. The first one will take place on Friday, October 9th at 2pm. Sign-up here.

Although the workshops are intended for non-Statistics majors, new freshman are encouraged to attend to learn more about the major and department policies.

PLANNED ACTIVITIES/EVENTS

- Finding Statistics Internships Info Session
- Applying to Graduate School Info Session
- Registration Workshops
- & More!

Be sure to read the Statistics Newsletter so you don't miss out on any events!

UPCOMING EVENTS/ACTIVITIES
We are going to have our intro meeting on Monday during week 1 from 6:30-7:30 so we can explain in more detail as to our club functions. We are planning to use fall quarter as a way to teach the basics of Rstudio since we understand that everyone has different backgrounds. Don’t be hesitant to attend if you have no programming experience we will help you! If there are any questions feel free to email or message us. We hope this club can be a way for you all to learn something new during these hard times.
